

REMARKS

In the outstanding Official Action, restriction was required as between Claims 1-3, drawn to a radio transmission device, classified in class 709, subclass 221, and Claim 4, drawn to a network server, classified in class 709, subclass 221, and Claims 5-13, drawn to an appliance and control of the appliance, classified in class 709, subclass 221.

In response, Applicant hereby elects Claims 5-13, for an examination on the merits, without prejudice to Applicants' right to subsequently file a divisional application directed to the nonelected claims.

A favorable action on the merits is earnestly solicited.

Respectfully submitted,

By Gregory L. Thorne
